DMVA VSO's Participate in "Stand Downs" Across the State

This month, NC DMVA partnered with Veterans Services of the Carolinas, NC Serves, the Veterans Healthcare Administration, DHHS, and the Department of Commerce's NC Works program to host SIX "Veteran Stand Downs" across the state with our last event taking place on April 29th.

These Stand Downs offered benefits assistance, mental health screenings from the Mobile Vet Center, employment assistance as well as gear and supplies such as shoes, towels, toiletries, and blankets in back packs from Veterans Services of the Carolinas to an estimated 340 veterans in attendance.

The Veterans Healthcare Administration also administered an estimated 130 COVID-19 vaccines to attendees who wished to receive them.

Secretary Gaskin Continues Listening Tour Across NC

Since arriving at NC DMVA, Secretary Gaskin has made it a priority to visit each of the state's major military installations and

host communities. So far, Sec. Gaskin and the NCDMVA team have visited every major installation except for Cherry Point, which is scheduled for later this month.

Visiting each installation in person has allowed leadership at the Department to learn firsthand about the issues facing our military installations and host communities from those who live and work there every day.

Whether it be issues like education or housing costs, the NC DMVA team is committed to understanding the quality of life and practical mission-impact issues the installations are confronting on daily basis.

One of Secretary Gaskin's chief priorities is to align the Department with our installations and state and local government, ensuring we are maximizing our efforts to support the mission of the Armed Forces in NC.

Here DMVA Sec. Gaskin met with University of North Carolina Wilmington Chancellor, Sartarelli and leadership where he visited the newly constructed Veterans Hall on the campus of UNCW.

NC DMVA Profiles

May is characterized by [six national observances](#) highlighting the contributions of those who have served. Not only do we pause on Memorial Day to remember the sacrifice and service of those who gave all, but the month also holds several other military anniversaries and events, including Military Spouse Appreciation Day and Armed Forces Day.

In this month's newsletter, we profile two NC DMVA team members who embody the service, sacrifice and contributions that we honor each May.

MSG (Retired) Ramona K. Robertson

Ramona served on US Army Active Duty, US Army Reserves and retired from the North Carolina National Guard. As a member of the NC Guard, she served in a full-time capacity at Joint Force Headquarters, Raleigh, NC, as a Military Technician. In this position Ramona was a Family Programs Specialist. She identified and advised on issues affecting the quality of family life for Service Members and their family members.

Another position Ramona held was an Equal Opportunity Advisor (EOA) at the 139th Regiment at Ft Bragg, NC. She is also a certified Mediator and a Master Resiliency Trainer. Andrea Allard

Andréa Allard was born in Munich, Germany, the daughter of a career military father who served in World War II, Korea, and Vietnam.

The Army played a large part in family life even leading her older brother to join and retire after 20 years, her sister to join and become a Russian linguist, and even she joined to become a Polish linguist, interrogator, and psychological warfare specialist.

After meeting her husband at DLI-FLC in Monterey, CA, in 1984 they married and now have 2 grown sons. Travel was integral to her existence as a military child, soldier, and then wife of a Baptist pastor enabling her to spend time in Europe and crisscross the U.S. numerous times.

Employment covered careers in sales, office management, and customer service operations before finally coming to work for the State of North Carolina. Having earned a Bachelor's degree in Psychology and a Masters in Counseling, her position as the Assistant to the Deputy Secretary/Chief of Staff of the NC Department of Military and Veterans Affairs and as an accredited Veteran Service Officer taps into a lifetime of service and serving others.
